CAREER OBJECTIVE

I am eager to keep learning and building on my current skills. I am ready to apply everything I can to help your company succeed.

CORE SKILLS AND TOOLS

Page Builders

Elementor

Drag-and-drop page builder with theme builder, add-ons, and ready-made templates.

Divi Builder (Elegant Themes)

All-in-one theme and visual builder with front-end controls and layout packs.

Website Development

WordPress, HTML & CSS

Builds websites from scratch: domain, hosting, WordPress setup, custom pages, and launch.

SEO Platforms

Semrush

Competitor keyword analysis, keyword gap research, and local listing optimization.

Ahrefs

Accurate live backlink index and high-precision keyword difficulty tracking.

SE Ranking

Budget-friendly SEO platform with rank tracking and AI Overview search visibility monitoring.

Moz Pro

Domain Authority benchmarking, site crawling tools, and an SEO browser extension.

Surfer SEO

Analyzes top-ranking pages and scores content for structure, density, and keywords.

Google Tools

Google Search Console (GSC)

Direct data from Google on indexing status, crawl errors, and organic impressions.

Google Analytics 4 (GA4)

Tracks user behavior, conversion actions, and the quality of search traffic.

Bing Webmaster Tools

Bing indexing, crawl stats, and keyword data beyond Google Search.

WordPress SEO

Rank Math / Yoast SEO

Metadata, schema, XML sitemaps, and on-page SEO inside WordPress.

AI, Content & Design

Cursor

AI editor for writing, editing, and shipping SEO content and web pages.

ChatGPT

EDUCATION

Trimex Colleges

Bachelor of Science in Computer
Engineering
2019 - 2022

Bestlink Colleges

1 Year College
2018 - 2019

REFERENCES

Dr. Kierven De Mesa

Professor
kiervendemesa@trimexcolleges.edu.ph

Carlo Sebugero

Senior SEO Specialist
sebugero@gmail.com

AI content tool for outlines, drafts, keyword-informed copy, and briefs.

Grammarly

Grammar, clarity, and tone checks for blogs, landing pages, and SEO copy.

Canva

Graphics, social visuals, and marketing creatives for web and campaigns.

Technical SEO

Screaming Frog SEO Spider

Desktop crawler that flags broken links, redirect chains, missing metadata, and duplicate pages.

WORK EXPERIENCE

Jr. SEO Specialist

2022 - 2023

Gavin Ventures (OKBET)

- Built websites using Elementor with a focus on design and performance.
- Performed SEO work, including keyword research, on-page optimization, and local SEO.
- Managed social media and improved online presence.
- Created visual content using Canva, graphic design, and video production tools.
- Used Web 2.0 and social profiling to strengthen brand authority.
- Updated content regularly for SEO and user engagement.
- Optimized site speed, performance, and mobile responsiveness.
- Applied structured data to improve search visibility.
- Managed internal linking, fixed crawl errors, and removed spam links.
- Monitored and improved overall website performance.
- Created video ads for YouTube, Facebook, and Instagram.

SEO Specialist / Marketing Specialist

2023 - 2025

Monsoon

- Planned campaign strategy, social media marketing, and audience targeting.
- Managed local SEO, keyword research, on-page and off-page SEO, link building, and voice search optimization.
- Improved UX, CRO, A/B testing, and content strategy.
- Handled social media content creation, campaign management, and analytics.
- Created graphics and visual content using Canva.

Senior SEO Specialist

2024 - July 2026

iRankNow Services

- Built websites from scratch, including WordPress setup, design, content, and SEO.
- Conducted SEO audits and website analysis to identify SEO issues.
- Performed keyword research to find high-traffic search terms.
- Optimized title tags, meta descriptions, and on-page content.
- Managed off-page SEO through link building, guest blogging, and outreach.
- Improved site speed, mobile optimization, and technical SEO errors.
- Created SEO-friendly blog posts and landing pages.
- Managed local SEO, Google Business Profile, citations, and reviews.
- Prepared SEO reports tracking rankings, traffic, and conversions.
